

July 27, 1928.

Superintendent A. B. Cameron,  
Carthage, N. C.

Dear Mr. Cameron:-

Your letter of July 26th is received. We shall be glad to aid you on the schools mentioned. If your 2-teacher buildings are to face east or west I would suggest that you use plan #20 sent you under separate cover. If they are to face north or south use plan #20-A. Both of these plans are very good, and you will be pleased with the results.

If your three-teacher school is to face east or west, I suggest your using plan #3; if north or south plan #3-B.

We shall be glad to furnish you all necessary blue prints and specifications, and to assist you in any way.

With good wishes, I am

Very sincerely yours,

W. F. CREDLE.
